PANEL PHYSICIANS

The following physicians are authorized to examine applicants applying for immigrant visas in the consular district of Hamilton, Bermuda. Medical examinations from other physicians in Bermuda will not be accepted.

<p>Dr. Basil N. Wilson</p> <p>40 Point Finger Road</p> <p>Paget DV 04</p> <p>Tel: 236-0084</p>
--

On the day of your appointment, please provide your passport and four photographs to the panel physician. He will require information from the passport to complete the medical examination forms. You will also be required to provide your vaccination records to the panel physician. Please note the vaccination requirements information attached to the medical forms.

Your passport will also be required for identification purposes on the day of your appointment at the hospital for x-ray and blood tests.

Please note you will be responsible for all fees pertaining to the medical examination, x-ray and blood tests.

If you have any further questions, please send an email to [hamiltonconsulate@state.gov](mailto:hamiltonconsulate@state.gov).
